AMENDMENT ONE TO AGREEMENT FOR TRANSPORTATION SERVICE WITH  
FIRM GAS STANDBY

This Amendment One, made and entered into this 21<sup>st</sup> day of April, 2018, by and between SOUTH CAROLINA ELECTRIC & GAS COMPANY, its successors and assigns, hereinafter called "Seller", and MERCEDES-BENZ VANS, LLC, its successors and assigns, hereinafter called "Buyer".

WITNESSETH

WHEREAS, Seller provides transportation service to Buyer under the terms of an Agreement for Transportation Service with Firm Gas Standby between Buyer and Seller dated April 28, 2017, and

WHEREAS, Buyer and Seller have agreed to amend the Agreement for Transportation Service with Firm Gas Standby between Buyer and Seller to accept and transport up to 1,415 dekatherms instead of 1,410 dekatherms.

NOW THEREFORE, in consideration of these covenants and agreements set forth to be kept and performed by the parties hereto, it is mutually agreed as follows:

- A. This Amendment One shall become effective on November 1, 2017.
- B. Paragraph 5(b), NOMINATION PROCEDURES, is deleted and replaced with the following:

(b) NOMINATION PROCEDURES

Seller agrees to accept and transport up to 1,415 dekatherms, excluding shrinkage volumes, of natural gas on a daily basis. Buyer will notify Seller at least five (5) days prior to the end of the month the volumes of gas, in dekatherms, to be transported on a daily basis during the next calendar month. Buyer has the right to change the volume to be transported during the month on a daily basis. It is Buyer's responsibility to notify producers and connecting pipelines regarding any change in transportation volumes. Seller will accept changes in daily volumes dispatched from an upstream pipeline; however, Seller reserves the right to limit or restrict the volumes accepted and transported at any time whenever, in Seller's sole opinion, operating conditions warrant a limitation or restriction on the acceptance or delivery of transportation gas. Limitations or restrictions may be because of, but not limited to, the utilization of deliverability capacity of Seller for Seller's system supply requirements.

- C. The term of this Amendment One shall be the same as the term of the Agreement for Transportation Service with Firm Gas Standby currently in effect.

- D. No other provisions of the Agreement for Transportation Service with Firm Gas Standby between Seller and Buyer are altered by this Amendment One.

IN WITNESS WHEREOF, this Amendment One to Agreement for Transportation Service with Firm Gas Standby has been executed on the date first above written by the parties hereto, by their officers or other representatives.
